Dear Mr. Mullard:

We received your June 9, 2008, letter concerning the remaining reclamation of the Limelite Green Quarry access road. We are in agreement with the adjustments you plan to make to our June 2, 2008 letter; to complete the reclamation of the access road from the reclaimed quarry down to the main Rosebud Canyon road.

So there will be no confusion, to complete the reclamation of the access road, you will need to adhere to the June 2, 2008 letter; along with the adjustments that were made in your June 9, 2008, letter. Please notify this office prior to commencing the reclamation work.

If you have any questions, or require additional information, please contact Larry Garahana of my staff at (801) 977-4355.

Sincerely,

David H. Murphy
